APRIL 29th – 30th, 2010

For the

OGA'S 29th ANNUAL CONFERENCE

The OGA's annual conference brings together practitioners, researchers, educators, seniors, and students to learn about new, evidence-based developments, share best practices and network with colleagues in the field of aging.

The theme of the OGA's 29th Annual Conference is **INNOVATION AND AGING** – clearly important for Ontario's growing older population.

Again this year, the OGA will be working with the **RGP**s of Ontario in bringing you top speakers, important concurrent paper and workshop sessions, and excellent networking opportunities.

Conference details will be available on www.gerontario.org.

Registration will be available soon.

Please plan to attend this important conference and mark **April 29th and 30th 2010** in your calendar today!
